

Celebrating an Aging Workforce

May is Older Americans Month, and EARN has resources to help employers support an aging workforce. According to the [U.S. Census Bureau](#), 16.1% of people 65 and older were in the labor force in 2010, up from 12.1 percent in 1990. Among those 65 and older who worked in 2011, 44.3% worked full-time, year-round.

EARN's resources on employing older Americans include:
