EARN is Spotighting Your Success!

Does your organization have successful practices for recruiting, hiring, and accommodating workers with disabilities? Has your company implemented policies that ensure the inclusion and advancement of employees with disabilities?

We invite employers who would like to highlight their effective practices in employing people with disabilities to **tell us about it!** Your best practices will be included in the "Spotlight" section in a future issue of the EARN newsletter, which is distributed to over 5,000 companies and organizations nationwide.

To submit your effective practices, please email earn@askearn.org.
