

States of Opportunity

A new blog article on the [EARN|Exchange](#) highlights recent findings from a report from the John J. Heldrich Center for Workforce Development at Rutgers. [States as Model Employers of People with Disabilities: A Comprehensive Review of Policies, Practices, and Strategies](#) describes the role states and local governments can play in advancing the employment of individuals with disabilities. EARN's latest [infographic](#) illustrates that the public sector is one of the largest employers in the nation and depicts the building blocks of states as model employers.
