

Employer Resources in honor of Veterans

In honor of veterans this November, EARN would like to share a variety of resources for employers seeking to recruit, hire, and retain qualified veterans with disabilities:

- "Beyond Yellow Ribbons: Creating Disability Inclusive Workplaces for Recently Returned Veterans with Disabilities," a webinar that originally aired in October as part of EARN's National Disability Employment Awareness Month webinar series, is archived and available for viewing. The presentation reviews statistics about returning veterans, discusses studies on key employment-related issues and misperceptions about veterans with disabilities, and covers steps employers can take to ensure veterans with disabilities are welcomed into the workforce.
[Click here to view the webinar.](#)
- EARN's online resources on veterans with disabilities in the workplace include:
 - [Tax Incentives](#)
 - [FAQs](#)
