EARN Forms Alliance with ADA Centers

In an effort to promote the national dialogue on the employment and retention of individuals with disabilities, the [National Employer Technical Assistance Center \(NETAC\)](#) for Employers on Employment of People with Disabilities has formed an alliance with the [ADA National Network](#). This initiative was established to enable the expansion and co-promotion of resources, events and services. The goal of the collaboration is to support the recruitment, hiring, and retention of workers with disabilities.
